

ABOUT HOMEPLATE

HomePlate, a social enterprise of Project Place, employs homeless individuals to prepare and market a line of quality foods prepared in our state-of-the-art commercial kitchen. As a growing strategy to support non-profit organizations, small businesses like HomePlate, which incorporate agency mission along with business goals, are developed to create a revenue stream that is not reliant on federal, state, city or charitable dollars.

Currently HomePlate provides catering services for breakfast, lunch, and business meetings. HomePlate also services a pushcart in Downtown Crossing on Summer Street in front of Macy's. The pushcart, which features sandwiches, hot and cold beverages and other items, is open Monday through Friday. Also, in the Spring and Summer Months, HomePlate operates a Gelato Italiano cart
